

As a No-Kill rescue group, many of our cats have extended stays in our care, for various reasons including health & temperament – & some just take a lot longer to find their purrfect forever home.

Each cat in our care can cost us roughly \$50 per month – this includes food, litter, worming & flea treatments (does not include vaccinations, micro-chipping, desexing or any additional vet work required).

Once the form is completed please email to: donations@thecatcorner.com.au
